BUSINESS AVIATION SERVICES

The company BAS (Business Aviation Services) was founded in 2004 by Detlef Keinath and transformed into a GmbH (limited liability company) in 2012 and is still managed by him today. More than 20 years of experience with the management of an business aviation company, purchase/sale and valuations of business jets as well as more than 6,000 hours in the cockpit as a pilot of various aircrafts form the professional competence.

Detlef Keinath

**CEO, ATPL-Pilot and certified
Aircraft Appraiser (DIN EN ISO/IEC 17024)**
